

Own a Yacht for a Day & Discover Sailing in Paradise

As the “owner” of your yacht, you can go where you want and do what you want to do. Your crew will be waiting on the dock for your instructions and to help you with planning as required. Your Yacht will be fully equipped and range in size from 26’ – 50’ length.

You can choose to Skipper the yacht yourself (qualifications required), or you can have one of Yachtpro’s internationally qualified Skippers or Instructors with you.
